OUR MISSION:

To reduce homelessness and empower the marginalized by providing access to housing and services that foster dignity, self-sufficiency, and wellbeing.

** All clients accepted into our permanent supportive housing (PSH) programs have experienced chronic homelessness and have at least one disabling condition.*

† Through our Deaf Bridges to Recovery (DBR) program, we provide residential treatment and recovery services at Hope House for homeless men who are deaf, hard of hearing, deaf-blind, deaf plus or late-deafened.

‡ Defined by people remaining stably housed in permanent supportive housing units after a year.

§ Of 312 clients assessed.

PARTNERS IN SERVICE

We work with many different partners to deliver our programs and services, including:

Columbia Residential
First Step Staffing
Grady Health System
Imagine Hope
Mercy Care
Quest Communities

By keeping our overhead costs low, every donation makes a significant impact.

“Never look down on a homeless person because you don't know their situation for what brought them there. Anybody can be in that position. As an individual who's been homeless, we are people; we have feelings too. We go through bad situations, but at the end of the rainbow there is a brighter day for each and every one of us.”
